## PRESS CLUB FETES AVIATORS TO-NIGHT

Special Reception Promises to Be Gala Event.

ARMY AND NAVY MEN INVITED

Grahame-White and Clifford on to Tell of Their Expethe Air, and John Ryan Will Sutline Work Aeronautical Reserves.

Grahame-White, Clifford B. Harnerica's foremost amateur avlammodore John Barry Ryan, of ted States Aeronautical Reserve, dney Macdonald, of Manchester, will be the guests of the Naress Club this evening at a speeption arranged in honor of the

nguished bird men. Army and naval officers, members of the Aero Club of Washington, of the Cosmes Club, and others interested in aviation have been invited to attend, and members of the club are planning to make the first "aviation night" as big an affair as the famous "hobby night" of last season.

A telegram was received vesterday from Mr. Grahame-White accepting the club's invitation for himself and Mr. Harmon. Mr. Ryan, who is in New York, received and accepted the invitation over the long-

Aviators to Speak

It is expected that Mr. Grahame-White and Mr. Harmon will tell the newspaper men some of their many interesting experiences in navigating the air, and Commodore Ryan will outline the plan and scope of the United States Aeronautical Reserve, which is a large national organization of aviators and those interested in aviation, who are promoting aeronautics as a branch of military sci-

Capt. Charles J. Fox will se master of ceremonies. The other members of the special reception committee are Elmer E. Paine, of the Associated Press; Ralph Graves, of the Washington Post; John B. Smallwood, of the Evening Star; J. D. Hilderbrand, of the Washington Times, and J. Lynn Yeagle, of The Washington

Invited to Reception.

Among those to whom invitations have been sent are Gen. James Allen, chief signal officer of the army; Maj. George of the Signal Corps; Charles and Dr. A. F. Zahm, of the ARCANUM FESTIVITY ENDS POLICE THWART of Washington; William F.

sident of the Chamber of Com-Leftwich Sinclair, chairman ation committee of the Cham-Gen. George H. Harries, presie Board of Trade.

## MILK DEALER RAPS HEALTH OFFICIALS

Chamber of Commerce Meeting Spirited.

TUBERCULINE TEST ATTACKED

Special Committee to Investigate Milk Conditions-Many Conventions Coming to City-Resolution Against Government Adopted-Amendments to Constitution Are Made.

With a violent tirade against Dr. Willam C. Woodward and the entire corps of health department officials, A. S. rundle, representing the interests of lairymen throughout Maryland, Virginia, and the District of Columbia, last night spoke before the Washington Chamber of Commrece in its first first meeting of the winter season, urging the adoption by the Chamber of some action against what he characterized as a movement instituted in illegal restraint of trade, and designed to bring great suffering upon

the milk consumers of the city. "There is no department of the government of the District," said Mr. Trun-"where exists such complete rottenness as in the health department. The number of permits for the sale of milk have been reduced from 400 to 80, and with the one result of forcing the price of milk in certain section to 25 cents a

This declaration opened the way for discussion of the milk famine within the with the ultimate result of a motion being unanimously carried carrying the appointment of a committee of five to investigate conditions surrounding the production and sale of milk, and to report at a special meeting of the Chamber to be called by the president in

about two weeks. Attacks Department, Mr. Trundle attacked the health de partment as a result, he stated, of severa years' investigation into milk conditions in the two States contributing the great er part of Washington's supply. He ridithe department, characterizing them as worthless in determining the presence of the disease in the animals, and even de clared the continuation of such testing to He declared that, with the restrictions now in force, residents in sev eral sections of the city, notably in Ana costia, were offering milk dealers 25 and 30 cents per quart for milk to support babies, and that the total supply of milk

A \$600 SWINDLE entering the city had been cut down one half or three fourths. Mr. Trundle was followed by Attorney Charles W. Clagett, who spoke at length upon the legal side of the situation, and described the practice of the tuberculine test as applied, in an attempt to show the presence of tubercular trouble in the animals. Mr. Clagett spoke from personal observation on the results of the investigations of the health depart-ment, and declared that by its operation and Virginia had been forced out of a

Company:

Notice is hereby given that a special meeting of the stockholders of the Washington Gas Light Company is called by the board of directors of that company for, and will be held on. FRIDAY, the fownment of the company for the fownment of the company. No. 413 Tenth street northwest, in the City of Washington, D. C., to tassesset such business as may preperly come before fiftd meeting, and especially to consider and approve or otherwise act upon the following propositions:

prove or otherwise act upon the following propositions:

(1) Shall the Washington Gas Light Company continue its practice hitherto of declaring regular quarterly dividends to its stockholders from its net earnings, at the rate of 10 per centum per annum upon
its authorized capital of \$2,600,000, which capitalization was made many years ago, and does not now
adequately represent the fair value of the property
of the company used by it for the benefit of the
public under the provisions of the company's charter, and its further practice of declaring extra dividends from its undivided profits; or, shall it in future distribute smong its stockholders, in the proportions to which they are respectively entitled, the generally chassed as "betterments" be paid out of the earulings of the company, or shall such moneys hereafter be raised by a bond issue or issues se-cured by deed of trust upon all of the company's properly which it is entitled to embrace in such deed of trust, said bonds to be sold for not less than par, and the proceeds thereof to be applied exclusively to said betterments? (3) Shall the company refund its outstanding bonds now bearing 4 per centum interest, amounting to ap-proximately \$600,000 in round numbers, and also its outstanding dividend certificates of indebtedness bear-

proximately souther in round names, and a so-outstanding dividend certificates of indebtedness bear-ing 6 per centum interest, amounting to \$2,690,090, which certificates of indebtedness are now payable at the option of the company by a new bond issue as-cured by deed of trust upon all of the property of the Police of Washington and near-by cities are looking for George Bromley, thirty-two years old, an inmate of the criminal ward of the Government Hospital for the Insane, who escaped Saturday. Bromley is an ex-soldier and was serving a ninety-nine year term for slaying Corporal Joe Fox in 1900, in the Philippines.

Bromley escaped after overpowering the attendant with whom he was walking about the yard. He is regarded by the hospital authorities as a dangerous man, an every effort is being made to apprehend him.
